

NEWS RELEASE

Goldstorm Metals Announces LIFE Offering for up to \$4,000,000

Not for distribution to U.S. newswire services or dissemination in the United States

Vancouver, British Columbia – (Newsfile Corp. – April 9, 2026) – Goldstorm Metals Corp. (TSXV: GSTM) (FSE: B2U) (“Goldstorm” or the “Company”) is pleased to announce a non-brokered private placement for aggregate gross proceeds of up to \$4,000,000 (the “**Offering**”), consisting of the sale of any combination of (i) units (the “**HD Units**”) at a price of \$0.20 per HD Unit; (ii) flow through units (the “**FT Units**”) at a price of \$0.24 per FT Unit; and (iii) charity flow through units (the “**Charity FT Units**”) at a price of \$0.31 per Charity FT Unit.

Each HD Unit will be comprised of one common share of the Company (a “**Common Share**”) and one-half of one Common Share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant will entitle the holder thereof to purchase one Common Share at an exercise price of \$0.30 per Common Share for a period of 36 months following the closing of the Offering.

Each FT Unit and Charity FT Unit will be comprised of one Common Share to be issued as a “flow-through share” (each, a “**FT Share**”) within the meaning of subsection 66(15) of the *Income Tax Act* (Canada) (the “**Tax Act**”) and one-half of one Warrant to be issued on a non-flow through basis.

It is anticipated that the gross proceeds from the issue and sale of the FT Units and CFT Units will be used for Canadian exploration expenses as defined in paragraph (f) of the definition of “Canadian exploration expense” in subsection 66.1(6) of the Tax Act and “flow through mining expenditures” as defined in subsection 127(9) of the Tax Act that will qualify as “flow-through critical mineral mining expenditures” and “BC flow-through mining expenditures” as defined in subsection 4.721(1) of the *Income Tax Act* (British Columbia) (the “**Qualifying Expenditures**”), which will be incurred on or before December 31, 2027 and renounced with an effective date no later than December 31, 2026 to the initial purchasers of FT Units and CFT Units. The net proceeds of the sale of Units are anticipated to be used for general and administrative working capital and other corporate purposes.

The Offering is expected to close on or about the week of April 30, 2026, and is subject to certain conditions including, but not limited to receipt of TSX Venture Exchange approval.

There is an offering document related to this Offering that can be accessed under the Company’s profile at www.sedarplus.ca and at the Company’s website at www.goldstormmetals.com. Prospective investors should read this offering document before making an investment decision.

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 *Prospectus Exemptions* (“**NI 45-106**”), the Offering is being made to purchasers resident in all provinces of Canada, except Quebec, the United States and in certain foreign jurisdictions, pursuant to the listed issuer financing exemption under Part 5A of NI 45-106 (the “**Listed Issuer Financing Exemption**”). The Units offered under the Listed Issuer Financing Exemption will not be subject to a hold period pursuant to applicable Canadian securities laws.

Research Capital Corporation is acting as a finder in connection with the Offering. The Company may pay certain finders a cash fee equal to 6.0% of gross proceeds raised from investors introduced by such finders and a number of non-transferable finder warrants equal to 6.0% of the number of HD Units, FT Units, and/or Charity FT Units sold under the Offering to investors introduced by such finders. Such finder warrants shall entitle the holder to acquire one HD Unit at a price of \$0.20 per HD Unit for a period

of 36 months following the closing of the Offering.

This news release does not constitute an offer to sell or a solicitation of an offer to buy nor shall there be any sale of any securities in any jurisdiction in which such offer, solicitation, or sale would be unlawful including any of the securities in the United States of America. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “1933 Act”) or any state securities laws and may not be offered or sold within the United States or to, or for account or benefit of, U.S. Persons (as defined in Regulation S under the 1933 Act) unless registered under the 1933 Act and applicable state securities laws, or an exemption from such registration requirements is available.

About Goldstorm Metals

Goldstorm Metals Corp. is a precious and base metals exploration company with a large strategic land position in the Golden Triangle of British Columbia, an area that hosts some of the largest and highest-grade gold deposits in the world. Goldstorm's flagship projects, Crown and Electrum, cover an area that totals 16,469 hectares over 6 concessions, of which 5 are contiguous. The Crown Project is situated directly south of Seabridge Gold's KSM gold-copper deposits and Newmont Corporation's Brucejack/Valley of the Kings gold mine. Electrum, also located in the Golden Triangle of BC, is situated directly between Newmont Corporation's Brucejack Mine, approximately 20 kilometers to the north, and the past producing Silbak Premier mine, 20 kilometers to the south.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This News Release contains forward-looking statements, which relate to future events. In some cases, you can identify forward-looking statements by terminology such as "will", "may", "should", "expects", "plans", or "anticipates" or the negative of these terms or other comparable terminology. All statements included herein, other than statements of historical fact, are forward-looking statements, including but not limited to: the closing of the Offering, including, the receipt of TSX Venture Exchange conditional acceptance, if it is to close at all; anticipated proceeds of the Offering; any finder's fees to be paid; the use of anticipated proceeds of the Offering; and the tax treatment of the FT Shares issued in connection with Charity FT Units and FT Units. These statements are only predictions and involve known and unknown risks, uncertainties, and other factors that may cause the Company's actual results, level of activity, performance, or achievements to be materially different from any future results, levels of activity, performance, or achievements expressed or implied by these forward-looking statements. Such uncertainties and risks may include, among others, actual results of the Company's exploration activities being different than those expected by management, delays in obtaining or failure to obtain required government or other regulatory approvals, the ability to obtain adequate financing to conduct its planned exploration programs, inability to procure labour, equipment, and supplies in sufficient quantities and on a timely basis, equipment breakdown, impacts of the current coronavirus pandemic, and bad weather. While these forward-looking statements, and any assumptions upon which they are based, are made in good faith and reflect the Company's current judgment regarding the direction of its business, actual results will almost always vary, sometimes materially, from any estimates, predictions, projections, assumptions, or other future performance suggestions herein. Except as required by applicable law, the

Company does not intend to update any forward-looking statements to conform these statements to actual results.
